

WALT - make number facts from word families

You are going to make 4 number facts from each number family - 2 addition facts and 2 subtraction facts!

REMEMBER

When it is an addition fact the biggest number comes last!

When it is a subtraction fact the biggest number comes first!

Here is an example for you

5 3 8

$$5 + 3 = 8$$

$$3 + 5 = 8$$

$$8 - 3 = 5$$

Have a go at these!

<p>2 4 6</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>	<p>10 2 12</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>	<p>4 5 9</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>
<p>7 2 9</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>	<p>10 1 11</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>	<p>7 1 8</p> <p>□ + □ = □</p> <p>□ + □ = □</p> <p>□ - □ = □</p> <p>□ - □ = □</p>
