

UNIT 14

Using Commas (in lists)

Punctuation marks help us to make sense of what we are reading.

- A **full stop** tells us to stop. We have come to the **end of a sentence**.
- ? A **question mark** tells us that a question is being asked.
- A **comma** tells us to **pause**. It is used to separate items in a list.

Making sure

1. Write a list of the things which belong to each person.

The first one has been done for you.
