

## How to make hot chocolate.

How to Make Hot Chocolate

Next, stir in the hot chocolate powder.

How to Make Hot Chocolate

After that, carefully pour the hot chocolate into a mug.

How to Make Hot Chocolate

Finally, enjoy!

Add squirty cream and marshmallows to decorate your hot chocolate!

How to Make Hot Chocolate

First, fill a jug with milk to the 200ml line.

How to Make Hot Chocolate

Then, heat it in the microwave for 2 minutes, or in a saucepan until just before it starts to boil.

**Top Tip!**

You could stir in a little cold milk so that it isn't too hot to drink.

Can you put the pictures in the correct order?
