

Message Stick Challenge

You have just been given a message to take to another tribe.

Draw this message on the message stick and go as quickly as you can.

Go to the river at sunset and bring a canoe.

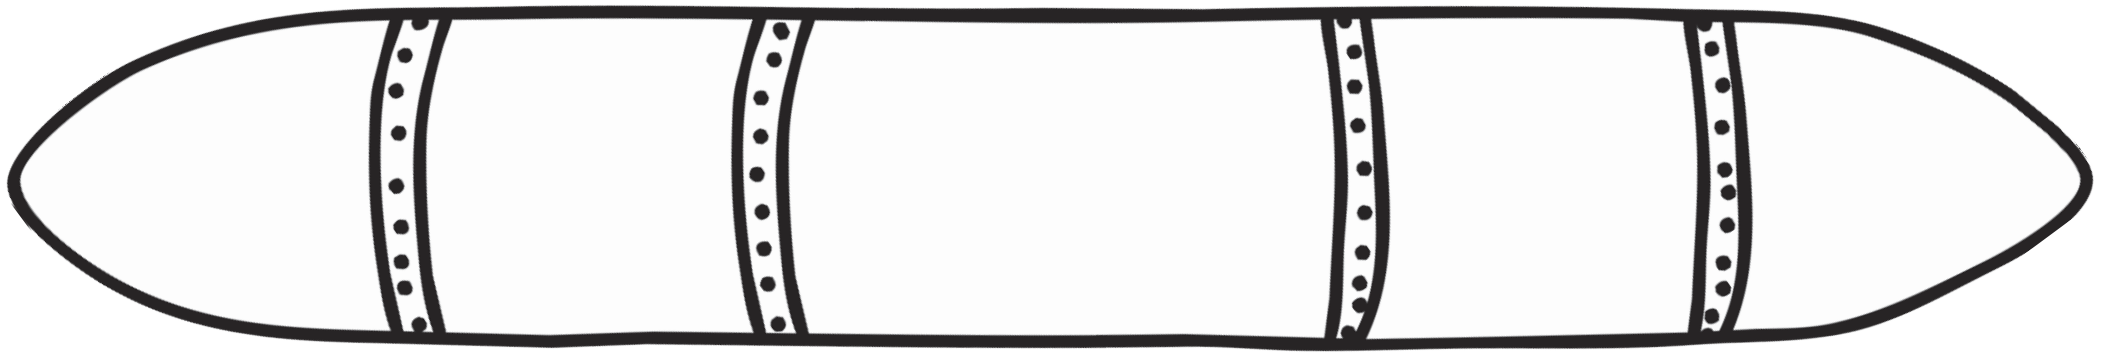

Message Stick Challenge

Your tribal elders have just given you an important message to take to a nearby tribe.

Draw this message on the message stick and go as quickly as you can.

Send four warriors to hunt three kangaroos. They should go north tonight. Be careful of spiders!

Message Stick Challenge

Your name is Pemulwuy. You are a young warrior in the Gadigal tribe. Your tribal elders are very sick and need the medicine from the kangaroo apple tree. You have just been given this very important message to take to your neighbours, the Wangal tribe, asking for help.

Draw this message on the message stick and go as quickly as you can, your people are depending on you!

Take three hunters in two canoes. Go west to the Blue Mountains. Climb to the top of the tallest mountain. Pick the fruit of the kangaroo apple tree. Be very careful of poisonous snakes. Hurry back!
