

WALT - Exchange units for tens

Mild

1. $13 = \square \text{ tens} + \square \text{ units}$

2. $17 = \square \text{ tens} + \square \text{ units}$

3. $14 = \square \text{ tens} + \square \text{ units}$

4. $19 = \square \text{ tens} + \square \text{ units}$

5. $15 = \square \text{ tens} + \square \text{ units}$

6. $11 = \square \text{ tens} + \square \text{ units}$

7. $18 = \square \text{ tens} + \square \text{ units}$

8. $16 = \square \text{ tens} + \square \text{ units}$

9. $12 = \square \text{ tens} + \square \text{ units}$

10. $10 = \square \text{ tens} + \square \text{ units}$

Challenge!

Find the total!

7 units + 3 units + 2 units
