

- 1 Put the same number of children on each mat.  
Use counters.

$2 \times 1 = \square$

$2 \times 4 = \square$

$2 \times 7 = \square$

$2 \times 2 = \square$

$2 \times 5 = \square$

$2 \times 8 = \square$

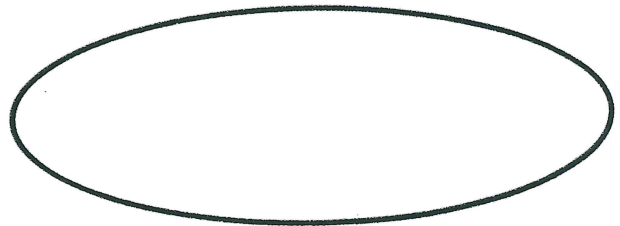

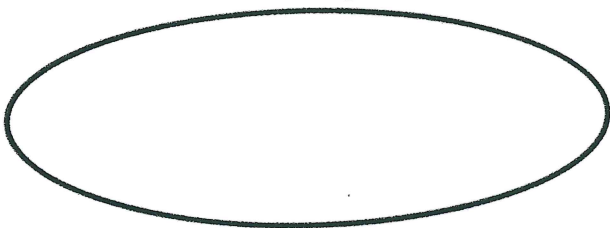

$2 \times 3 = \square$

$2 \times 6 = \square$

$2 \times 9 = \square$

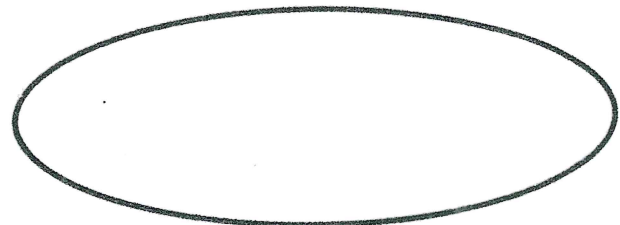

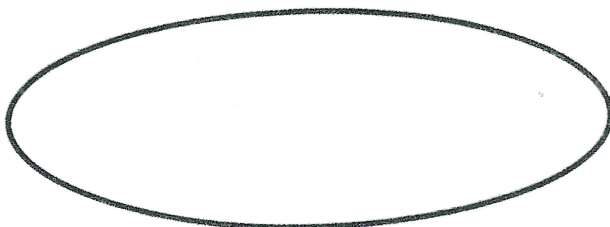

$2 \times 10 = \square$

- 2 Draw 5 bean bags in each hoop.

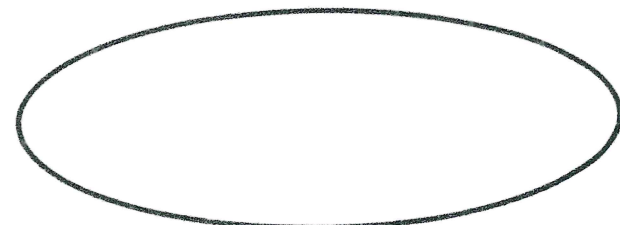

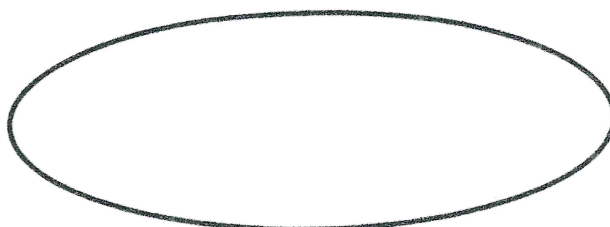

$2 \times \underline{\quad} = \underline{\quad}$

Draw 6 bats in each hoop.

$\underline{\quad} \times \underline{\quad} = \underline{\quad}$

Draw 9 balls in each hoop.

$\underline{\quad} \times \underline{\quad} = \underline{\quad}$
