Use the eBook to support your answers.

Looking questions

- What does Birthday Bunny like to eat for breakfast?
- Can you make a list of 3 words that you do not understand and look them up in the dictionary? If you understand all the vocabulary you could choose 3 words to find synonyms for in a Thesaurus.
- How does Birthday Bunny find out about his surprise?
- How does Birthday Bunny end?

Clue questions

- How do you think Birthday Bunny feels just before he finds out about his surprise party? What makes you think that?
- How do you think Birthday Bunny feels at the end? How do you know?
- What type of voice might the characters use when they shout surprise?
- Who is telling the story?

Thinking questions

- Which part of the story did you enjoy best and why?
- How important are the illustrations to the story? Would the story work as effectively without the pictures and drawings?
- Why do you think the authors and illustrators created this book, in this style? Think about who the book is aimed at.
