

Length – compare and order lengths

1 Draw or write to make these statements true:

a My foot is **shorter** than

b My little finger is **longer** than

c My desk is **longer** than

d My lead pencil is about the **same** length as

e My nose is the **same** length as

2 Cut 5 pieces of streamer that will fit in the box below. Make each one longer than the one before. Glue them in order in the box.
