

Dear Rudi Mcknight's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Rudi?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Rudi's Username: rudim42

Rudi's Password: sky36

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Scarlett R's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Scarlett?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Scarlett's Username: scarlettr3984

Scarlett's Password: sky81

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Leo T's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Leo?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Indie's Username: indieh287

Indie's Password: red31

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Holly S's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Holly?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Zach's Username: zachm6559

Zach's Password: orange51

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Tamzyn W's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Tamzyn?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Tamzyn's Username: tamzynw2

Tamzyn's Password: math99

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Scarlett R's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Scarlett?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

And now—here are some Prodigy pets that students can color in!

Dear Ellie G's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Ellie?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:

- Receive email updates like report cards
- Encourage your child to learn more by setting goals and sending them free in-game rewards
- Learn where your child excels and where they need more support

Please register to support your child's learning:

1. Go to prodigygame.com/welcome
2. Sign up (it's free!) and link your parent account using your child's credentials below

To help your child log in at home:

1. Go to prodigygame.com and select 'Play Prodigy' in the top-right corner
2. Once the game loads, enter your child's username and password and select 'LOGIN'

Ellie's Username: ellieg5763

Ellie's Password: cow62

This is the student's unique user name and password to access their Prodigy account and should be kept confidential to prevent any unauthorized access. Do not share this information to web sites or other publicly available locations.

And now—here are some Prodigy pets that students can color in!

Dear Dylan S's Parent or Guardian,

I'm excited to say our class is using Prodigy to help students learn and practice math curriculum. I'll use Prodigy to set assignments, review progress, and support your child's learning.

How does Prodigy benefit Dylan?

- It's a fun math-focused game that adapts questions to your child's individual needs.
- It helps students gain confidence as they progress through the math curriculum at their own pace.
- Prodigy rewards students as they learn by unlocking more of the in-game world and features.
- Plus, the game is safe and private, and a great use of screen time!

Why do parents love using Prodigy?

Studies find children perform better at school when parents are more involved with learning. With a free parent account, you can:
