

Handling Data

1 Draw pencil lines from each name to the circle it goes with.

Food: cake, orange, aeroplane

Vehicle: car, lorry, boat, stool

Furniture: chair, table

2 Use this table to show the data given in Question 1 in a different way.

	Name of group		
	Vehicle	Food	Furniture
Number			

3 This table shows the different pets kept by children in North Road School.

Colour each row of the table a different colour.

Pets	Number of children
Cat	24
Dog	16
Bird	13
Fish	21
Hamster	7

4 Use the table in Question 3 when answering these questions.

a How many children had either a cat or a dog?

b On the chart, how many children had animals with fur?
