

Handling Data

1 The graph shows how Henry spent his pocket money. Look at it and then answer the questions.

- a Which item cost twice as much as the eraser?
- b Which item cost 15p more than the pencil?
- c How much more did the ruler cost than the eraser?
- d How much less than the pen was the pencil?
- e How much did Henry spend altogether?
Give your answer using the £ sign.

2 Answer the questions about the month of May.

- a How many days are there in May?
- b On what day is the 18th of May?
- c Give the dates of all the Fridays shown on the calendar page.
- d On what day of the week is the 1st of June going to be?
- e On what day of the week was the 30th of April?
