Reciprocal Reading – Questioner

After reading through today's story, it's now time to create your own questions.

Today you are going to write eight different questions.

- Questions 1, 2, 3 and 4 should all begin with different question words
  e.g. Who? What? Where? When? Why? Which? How?
- Questions 5 and 6 should be multiple-choice so write your question and give three possible answers, only one of which is correct.
- Questions 7 and 8 should be true or false statements so write a statement based on your story and then ask if it is true or false
  e.g. Fern was nine years old. True or false?
