

1. The animals I have the most **affection** for are **giraffes** and **elephants**.
2. The boy was **laughing** so hard that he began **coughing** and his **face** went red.
3. The **officer** had previously arrested the man for a **different** offence.
4. The **flimsy** excuse was not **sufficient** for missing the **final** lesson of the term.
5. Fred was the **fifth** person to claim he had spotted a **phantom** beside the town **fountain** that week.
