- Use a calendar to answer the questions.

1. What is the date of the first judo lesson?

2. Write the dates of all the rock-climbing meetings in June.

3. On what date did the health and fitness room close?

4. What is the date of the third judo lesson?

5. On what date does the sauna open for the first time?

6. On what date is the last lesson of the judo course?

7. How many rock-climbing meetings are there in September?

8. If the health and fitness room opens 5 days late, what day and date is this?

Teachers' note Revise how the calendar is arranged and provide a calendar of the current year for each child or pair of children. Answers will vary from year to year. For further extension, ask the children to write the days of the week in their answers.
