

## Different Ways

Fill in each box with a single-digit number:

$19 \div \square = \square \text{ r } 1$

$26 \div \square = \square \text{ r } 2$

$39 \div \square = \square \text{ r } 3$

$19 \div \square = \square \text{ r } 1$

$26 \div \square = \square \text{ r } 2$

$39 \div \square = \square \text{ r } 3$

$19 \div \square = \square \text{ r } 1$

$26 \div \square = \square \text{ r } 2$

$39 \div \square = \square \text{ r } 3$

$19 \div \square = \square \text{ r } 1$

$26 \div \square = \square \text{ r } 2$

## True or False?

✓ or ✗

$8 \div 40 = 5$

$8 \div 5 = 40$

$40 \div 8 = 5$

$8 = 40 \div 5$

$8 = 5 \div 40$

$5 = 40 \div 8$
