

Money word problems 16th March 2021

Answers

1. $£3.80 \div 4 = £0.95$ or 95p each

2. $£35.00 \div 2 = £17.50$ each week

3. $£75.00 + £56.50 = £131.50$ altogether

4. $£17.75 \times 2 = £35.50$ $£35.50 + £3.95 = £39.45$ altogether

5. $£9.50 + £4.75 = £14.25$ $£22.00 - £14.25 = £7.75$ for the wine

6. $£325.99 - £70.00 = £255.99$ for the washing machine
