Add punctuation to the interview with Sten.

Reporter: Wow! What a match. You have to be happy.

Sten: Before the game , when everyone else was nervous , I knew we would win. I looked around and said, " We can do this guys!"

Reporter: What made you so confident?

Sten: We had practised hard , even in the rain, and knew every tactic. I can still hear our coach yelling , "No pain. No gain ."

Reporter: The last few minutes were pretty tense. The crowd kept chanting, "Score!" but it didn't look good.

Sten: We couldn't have done it without our most valuable player, Klara. She made a run and yelled, " Pass it here!" Without her quick thinking , we wouldn't have scored the goal.

Reporter: So, what will you do to celebrate?

Sten: The coach said, "You don't have time for celebrating. You need to practice for next week's game." I said, "Pizza anyone?"
