

# Catch It

## Questions to ask:

**Pause the film after 44 seconds as the animals emerge from their burrow.**

**Where are the animals sleeping?**

**What is the name for the long, seasonal sleep that some mammals partake in during winter?**

**Describe the landscape around them- what is their natural habitat?**

**Pause the film at 1:27 when the vulture lands in the tree.**

**What are the meerkats thinking as they climb the tree and find the fruit?**

**How can you tell that the meerkats are happy to see the fruit? What gesture do they make?**

**Why do they sway when they look at it?**

**Describe their movements as the vulture lands.**

**Do you think the vulture is going to be a hero or a villain in the story? Explain your answer.**

**Pause the film at 3:24 as the fruit is dropped and none of the animals have it.**

**Why do you think all of the animals are so desperate to catch it?**

**What sports does the meerkat formation remind you of?**

**Explain how the meerkats work as a team.**

**Think of three sentences to describe the way in which the vulture moves against the meerkats.**

**At the end of the film ask:**

**What word would you use to describe the fruit at the end of the clip?**

**Who do you think won in the end?**

**Do you think there is a moral to this story? What is it?**

# Catch It

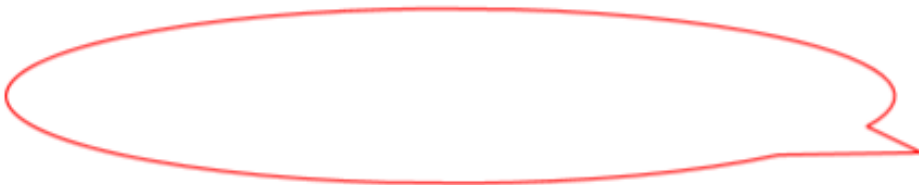

Imagine that the animals could talk. What would they say to each other during the clip? (Remember to use punctuation.)

meerkats

vulture

meerkats

vulture

meerkats

vulture
