

My Spelling Homework

Tuesday Today I have to sort the words on my list to find out which words contain the same spelling of the target sound.

Wednesday Today I use some of my words to write sentences (at least four sentences).

Thursday Decide which spellings are hard to remember and find a way to learn them e.g.

- Write the difficult part in a different colour
- Look at the word, cover, write and check
- Make a pattern by repeating the word (spell-a-doodle)

Have a go!
