

1. I could see the **displeasure** on Mum's face when the doctor said I had another **fracture**.
2. They had to **insure** the vintage **furniture** in the old house to **ensure** they would not lose money.
3. The Department of **Agriculture** wanted to **assure** people that produce was high quality.
4. My aunt was very upset at the **closure** of her business **venture**.
5. One wrong **gesture** on the touchscreen meant the **erasure** of all my work.
