

In the ruins

I'm Simon and this is Nipper.
I was shipwrecked a year ago.

I found a notebook full of numbers. It tells
about a submarine and a sunken galleon.

The children help Simon to enter the numbers.

1 Write these notebook numbers in figures.

ninety-nine thousand, four hundred and twenty-four

six hundred and five thousand, three hundred and eleven

five hundred and twenty-nine thousand, four hundred

seventy thousand and seventy

2 Write these numbers in words.

84 000

200 500

90 086

100 002

3 Increase 174 596 by
one thousand

twenty thousand

three hundred thousand.

4 Decrease 837 346 by
five thousand

thirty thousand

six hundred thousand.

5 Use the digits **2 6 0 0 9** to make numbers greater than sixty thousand.
