

Read through the excerpt from Chapter 3 of 'Mister Skip'.

1. Can you find and list 20 common nouns?

2. Can you list all the proper nouns in the excerpt?

3. An adjective describes a noun. How many adjectives can you identify and list?

4. There are some adverbs of manner (tell us how something happened). Can you find them?

5. We sometimes join 2 words together and miss out some letters. We call these contractions. There are lots of examples of contractions in the excerpt. Write out the contraction and then write them out in full. E.G. it's- it is

Extension Activity:

Write at least 2 sentences about Mr. Skip and Jackie using the following adverbs: happily, inside, often, now
