

P6 other activities – Monday 8th – Friday 12th June

Sports Day practices and our “Stay At Home Sports Day” on Friday

- Did you have a go at last week’s events? We had great fun practising the sprint, standing jump, vertical jump and bear crawl with the children who were in school last week.
- Remember, there are eight separate events to choose from as part of this year’s Sports Day. Each day from Monday to Thursday, we will be practising a different event so visit the Whole School Home Learning page www.brooklandsprimary.com each morning to watch a short video from Mr Coetzee and learn about today’s event.
- This week, there will be four more events to practise before we hold our “Stay At Home Sports Day” on Friday 12th June. You’ll participate in your favourite events, record your results and then please send some photographs to your teacher! All the details are on the school website.

P6 Zoom quiz – Tuesday 9th June

- Join us on Tuesday 9th June at 3.30pm for our next P6 Zoom meeting! This time we will be having a quiz (don’t worry, it won’t be too difficult!) and we would love for you to take part! Ask an adult to email Mr Coetzee rcoetzee517@c2kni.net by Monday 8th June to receive all the details. You’ll need pencil and paper to write down your answers and you can ask other members of your family to join in too and help you to work out the answers so don’t be shy – sign up now!

Art

- Since it’s our Sports Day this Friday, why don’t you have a go at drawing some action figures? This video is excellent <https://www.youtube.com/watch?v=DkM6FgbQIGs>

Riddle

- Find a number that, when spelt in English, has its letters in alphabetical order.

Example: "five" has "fiv" in alphabetical order, but not "e".

There is only ONE number in the English Language where this applies.

Can you work out which number it is?
