

Books read by each year group in Brooklands Primary School.

1. Miss Freeburn wanted her year group to read 70 books. How many more books did P4 need to read?
2. What was the total number of books read by P1 and P7?
3. What is the sum of books read by P2 and P3? How many more books did Year 1 read?
4. P5 and P6 read 103 books. What is the difference between their total and the total of books read by both P4 and P7?
5. Did P2 read more books than the total of books read by P7 and P3? What is the difference between the two totals?
6. How many fewer books did P3 read than P4?

Challenge

Who read more books- KS1 (P1 → P3) or KS2 (P4 → P7)? What was the difference between their totals?

How many books did the school read in total?

Mr Armstrong set a target of 300 books to be read by the whole school. Did we make this target?
