L.I Revise types of number including factors, primes and squares.

Fill in the factors of each factor bug. The first one has been done for you!

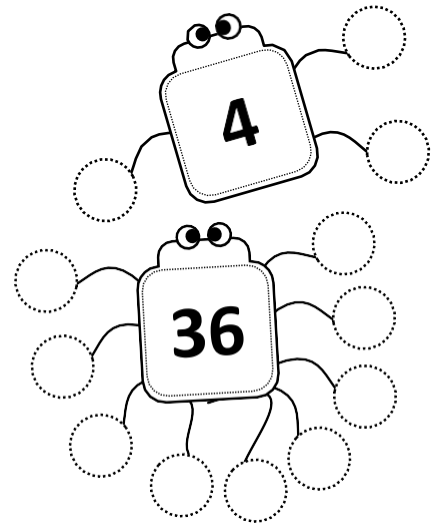

The worksheet contains ten factor bugs, each with a central number and several legs ending in small circles for factors. The bugs and their numbers are:

- 6: Factors 1, 2, 3, 6 (filled in)
- 8: Empty factor circles
- 14: Empty factor circles
- 12: Empty factor circles
- 10: Empty factor circles
- 21: Empty factor circles
- 72: Empty factor circles
- 15: Empty factor circles
- 20: Empty factor circles
- 45: Empty factor circles
- 18: Empty factor circles
- 22: Empty factor circles

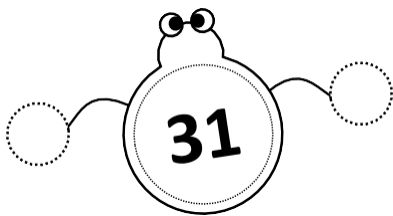

Fill in the gaps with the correct word

All these bugs
have an
odd/even
number of legs

They are all
S _____
numbers

All these bugs
have an
odd/even
number of legs.

They are all

p _____

numbers

Circle the prime numbers: 4, 7, 12, 13, 20

Circle the square numbers: 6, 15, 25, 36, 40
